Dear Students,

Welcome to Vastu Adhaar!

We all are made of 5 elements, the Panchmahabhoot and so are the houses we live in, which combine the energy of elements into zones.

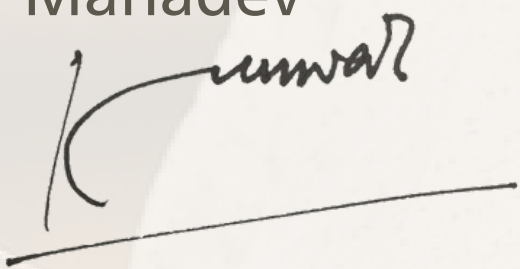

All the cosmic consciousness and spirit contain these five elements as an integral part of their existence, we should establish all the five elements with their subsidiary energy sources.

In case we could not do it before, now is the time to correct and re-energize our living spaces.

**Learn to align HOME & HUMAN synergy.**

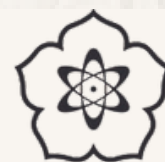

Experience the most straight-forward and updated research on Vastu correction.
